SHOWERS

_ Design by Treemme

Professional shower to rediscover and leave the benefits of water. an extraordinary experience, immersed in an architecture of enveloping water. Intensity and effects inspired by water and tamed by technology that perfects our most important resource.

Set doccia professionali per riscoprire e vivere i benefici dell'acqua. Esperienza straordinaria, immersi dentro un'architettura d'acqua avvolgente fatta su misura. Intensità ed effetti ispirati all'acqua e domati dalla tecnologia che perfeziona la nostra risorsa più importante.

A simple fold makes it so interesting and gives life to a sheet of stainless steel, leaving a foresee and imagining the world hidden by the ceiling

Una semplice piega rende interessante e da vita a un foglio di acciaio inox, lasciando intravedere e immaginare il mondo nascosto dal soffitto
